This month I performed stationary radar in several locations on the hills dr. All personal objects from the burglaries were returned to there owners, Five reports of a deer chasing people and dogs near the Tiburon Dr. area. The deer causing the problem was observed by me and Sgt. Shaffer and was taken care of. No other reports were reported so far. One resident was bitten by a dog at large on Cottdonale Dr. The resident went to minor emergency and was ok just received a small puncture wound to the right lower leg. The dog was taken to vet for a 10 day rabies watch at owners expense, owner was also cited for dog at large. I have started to focus more on the speeding on The Hills Dr. and going to start writing more citations for speeding to slow traffic down. No other crime has been reported.
