This month I performed stationary radar in several locations on the hills dr. Moved the city radar sign to the 60 blk of the hills drive and to the 200 blk the hills dr. Two reports taken this month. Two vehicles were broken into this past month and both vehicles were left unlocked. No more reports of deer attacks. 15 houses were toilet papered and several houses and cars egged. I believe I spoke with one individual who was a part of this and after speaking to him, there has been no further reports so far.
