This month I performed stationary radar in several locations on the hills dr. Moved the city radar sign to the 60 blk of the hills drive. Two reports taken this month. No reports of vandalism anywhere inside of the hills. One report of a deer attack. I have searched all over on a golf cart and as of now I have found no aggressive deer but will continue look. I will be working some over night shifts this next month to make sure everyone is behaving with school being out. All is quite.
