March 11, 2014**

In attendance: Dave Anderson
 Linda Nelson
 Jennifer Paul
 Anne Hewgley
 Eric Ovlen
 Robert Smith

Dave Anderson, President, called the meeting to order at 1:30 p.m. at the pavilion at the Hills Park. Anne Hewgley agreed to take minutes.

Jennifer Paul presented her Treasurer's Report. Jennifer stated the painting and signs updating previously discussed had been undertaken by the MUD. Our cost was higher than expected but is now complete. Hills Fest received a donation of \$2,000 and approximately \$1,800 of that has been paid out to vendors. We are within our budget. Dave Anderson suggested we discuss an "understudy" for Jennifer in the future and she will continue to email her reports monthly.

Linda Nelson made the motion to approve the Treasurer's Report and Eric Ovlen seconded the motion and it passed unanimously.

Robert Smith updated the Commission on the Board of Alderman and MUD plans to drill two water wells to help the water supply for The Hills. Approvals are still being obtained but once complete the drilling will commence shortly thereafter.

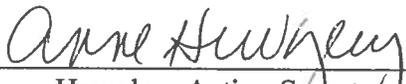

Dave Anderson updated us on several maintenance issues – the pea gravel for slide pit has been broken up; the bulletin board staining has been done and the water fountain repairs have been completed.

Dave Anderson walked the attendees around the Park facilities pointing out the improvements including the storage access, the code to unlock the bathrooms, and the main water turn offs for the bathrooms. A site was suggested and discussed for a dog park. Linda Nelson is obtaining updated plats of the Park and Eric Ovlen will check with Lakeway Dog Park about signage.

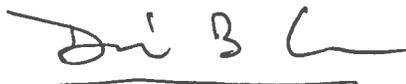

A contact list will be put together with emails and cell phone numbers of the Commission members.

The next meeting is Tuesday, April 8, 2014 at 1:00 p.m. at MUD Conference Room.

The meeting was adjourned at 2:10 p.m.
