OLD BUSINESS:

ICE CREAM SOCIAL:

- A. Shannon provided a thorough, detailed outline of the entire event to be used as reference for future years. Shannon was highly congratulated for her hard work in organizing this very successful event.
- B. It was estimated that there were approximately 400 people in attendance.
- C. There was very little ice cream left over so Diane had made a great estimate.
- D. It was suggested that next year we obtain attendants for the Bouncey House or else just have one house in order that we have more control. Further, we should book "Games to You" earlier.
- E. Rick will talk to Alma to pass along a complement on the appearance of the park grounds. All agreed that it really looked great.
- F. Plastic tablecloths are recommended for next year. The paper cloths were unsatisfactory.
- G. Bruce will send a notice thanking the country club, Serene Hills School, and all of the volunteers.
- H. We received 30.00 in donations!

NEW BUSINESS:

SLIDE

Rick and Scott are meeting with the contractor at the slide today. The new part for the slide was not a proper fit.

ROCK CLIMBING WALL

Kelly will check with her neighbor John (who is in the play scape industry) to get his suggestions for the colors and design of the rock wall. Kelly provided color samples and it was generally agreed that the brown or green would work well.

OFFICERS 2009-2010

- A. Rick was nominated as the new President, and Scott as Vice President, both unanimously.

Rob will check with Alma to see how long we can serve on the Board. The total number of members is to be nine.

Both Kelly and Shannon may not continue as Board members next year as their schedules may not allow. They will advise.

“FRIENDS OF THE PARK”

All members have been asked to find some neighbors and friends in The Hills that would be willing to give their time 2 or 3 times yearly to assist with special projects, activities, or clean up. These “Friends” would be contacted by e-mail as their assistance was needed. Please submit names and e-mails of anyone that has expressed an interest in giving a hand. In addition, Bruce will send a notice asking for volunteers.

There is a joint study committee formed to study all of the green areas and common areas in The Hills. If anyone has a specific area in question, please advise Ron of the location.

Ron will ask Dan if the area along Serene Hills can be mowed three times yearly.

Meeting adjourned 1:50 P.M.
